WORDS ARE NOT REQUIRED WHEN SPEAKING YOUR HEART

Glass and Metal Artist Randi Deckard Launches SPIRIT OF THE HEART

To Let Your Heart Speak Without Words

Dallas, TX (January 01, 2007)-Sharing the message that is in your heart has never been easier. There is no need to agonize or prepare over word choices when you let your heart speak with an original fused glass heart design inspired by passion, hope, love, faith and more. No matter what is in your heart you will find a message perfect to share with any women in your life just because-no special occasion required.

Valentine's Day is just one day of the year that we celebrate the people we love. Spirit of the Heart embraces the spirit of letting your heart speak everyday. Whether it is passion for your wife, pure love for your daughter, faith for a girl friend in need, or just because, the special women in your life will know what's in your heart when you give them a fused glass heart necklace to treasure for a lifetime.

The Spirit of the Heart collection includes passionate reds to sweetheart pinks to help the message from your heart be spoken without words. Each heart is handcrafted one at a time so each is unique just like the heartfelt message being shared.

"There is no special moment or date required to let your heart speak. This collection embraces letting your speak spontaneously to the special women in your life every calendar day of the year," states the artist , Randi Deckard.

Celebrate life, dance daily and share what's in your heart with the special women in your life. The Spirit of the Heart Collection is available at www.Designing-Diva.com and ranges in price from \$15-\$100.
